

Quality. Price. Choice.

Drive Home All Three With Rugged Geta™ Fastener Tools.

A Specially made for construction, maintenance and light industrial jobs, Geta fastener tools are precision machined for great fit from high-grade steel alloys, then specially hardened to a long-lasting, non-brittle toughness.

Yet they cost no more than ordinary tools. And the Geta fastener tool line offers you more choices.

In addition to a strong selection of Phillips inserts, magnetic bit holders and magnetic nutsetters, you can get Phillips power bits, slotted inserts, Torx® inserts and square inserts and bits. Plus magnetic sockets for sheet metal screws and extensions.

All of the Geta fastener tools are available now. So check the chart on the back page and then call your Geta distributor today!

Ask about our sales-boosting Geta™ Counter Displays!

Phillips 1/4" Hex Insert

Part Number	Point Size	Overall Length	
		In.	mm
A441	1	1	25
